A NEW WHORE IS BORN

Bianca starts things by giving Mr Dee an intense blowjob. Mr Dee uses his fingers to make sure Bianca's ass is ready for the next step. He brings out an anal pump and stuffs it up her ass.

Once the anal pump is blown to full size inside her ass Mr Dee fucks Bianca's pussy. Mr Dee takes out the anal pump out of Bianca's ass and fills it again with his dick until he cums over her big tits.

Mr Dee next uses a huge dildo to penetrate Bianca's ass. Once done with the dildo he fits Bianca's brown starfish. Bianca still demands more intense anal sex, so Mr Dee brings out a speculum and uses it to peek and play into her inner sanctum.

Next on the agenda for Bianca is some anal shoe fucking. Bianca moans and groans as Mr Dee shoves his shoe in her ass. Finally Mr Dee fucks Bianca and covers her face with a big load.
